How soon can we get married - Typically our couples come to us 3-6 months before their wedding, however earlier is ok too! **Due to local law, there is a one-month minimum from the time we book until we can host your wedding.**

How many guests can I bring? - BE weddings are intended to be intimate in nature. Many of our venues are off the beaten path, and navigating too many guests takes away from the magic of your day. For that reason, our weddings cap at 10, including the couple.

What happens if it rains? - Adventure and nature are at the core of BE. We will always have a solid "plan B" in mind, however we encourage you to consider your comfort level with inclement weather when selecting a ceremony location. If weather is a concern, we will work with you to find a location where it isn't even a worry.

Are meals included? - Included in the base package are arrangements for a celebratory meal at a local restaurant. If you would like to add catering to your wedding, we absolutely can do that! We will work with you to create a well-rounded wedding celebration. Please note, catering and associated rentals are an additional fee.
